PAYMENTS IN LIEU OF TAXES

INTRODUCTION

"Payments in Lieu of Taxes (PILT)" are Federal payments to local government which have certain Federal lands within their boundaries. The program is administered by the Department of the Interior through the Bureau of Land Management (BLM). BLM's responsibility is to calculate the payments according to the formulas established by law and to distribute the funds appropriated by Congress.

Since the first payments in 1977, payments have averaged a total of about \$104 million annually and are used to help local governments provide important community services such as fire and police protection, hospital and public school facilities, road construction and search/rescue operations. To date (including the 2002 payments), over \$2.9 billion in payments have been made to local governments.

Additional information concerning PILT is available on the BLM web site located at <http://www.blm.gov/pilt> or by calling BLM at (202) 452-7721.

**CHAPTER 69, 31 UNITED STATES CODE
PAYMENTS IN LIEU OF TAXES ACT
31 U.S.C. 6901-6907**

This paper briefly discusses the Payments in Lieu of Taxes (PILT) Act of 1976, as amended. It describes eligibility for "in-lieu" payments, gives examples of how the payments are computed, and summarizes "entitlement" acres.

The Act authorizes the Secretary of the Interior to make two types of annual payments to eligible units of local government. The Secretary has delegated the responsibility for administering the Act to the Bureau of Land Management.

In October of 1976, Congress passed Public Law 94-565, commonly referred to as the "Payments in Lieu of Taxes Act". This Act provides for payments to local units of government containing certain federally-owned lands. These payments are designed to supplement other Federal land receipt sharing payments local governments may be receiving. Payments received under the Act may be used by the recipients for any governmental purpose. The Act was amended in September, 1982 and renotified at Chapter 69, 31 U.S.C.

On July 30, 1983, the PILT Act (31 U.S.C.) was amended by P.L. 98-63 which refined the definition of "unit of general local government" and added a new section (31 U.S.C 6907) that authorized State governments to enact legislation to reallocate PILT payments in whole or in part to other smaller units of general purpose government. The amendment further provides that where States Enact such legislation, the PILT funds would be paid to State governments for redistribution to the appropriate unit of general local government. The State of Wisconsin is presently the only State to enact legislation (Wisconsin Act 470) under section 6907.

On October 22, 1994, the PILT Act (31 U.S.C.) was amended by P.L. 103-397 which called for increases to the \$.75/\$.10 variables used to compute section 6902 payments and to the population table used to determine each unit of local governments population ceiling. The increases were effective with the September 1995 PILT payment and will continue to be made on an annual basis thereafter.

I. Section 6902 "Entitlement Land" Payments

Section 6902 authorizes payments to local units of government (generally counties, or the equivalent) under one of two alternatives, based on the number of acres of "entitlement lands" within the county. "Entitlement lands" consist of lands in the National Forest System and the National Park System, lands administered by the Bureau of Land Management, and lands dedicated to the use of Federal water resource development projects. Also included are dredge disposal areas under the jurisdiction of the Army Corps of Engineers, National Wildlife Reserve Areas withdrawn from the public domain, inactive and semi-active Army installations used for non-industrial purposes, and certain lands donated to the United States Government by State and local governments. The Act specifically prohibits payments for tax exempt lands (but not donated lands) acquired from State or local governments.

The 75 cents for each acre of entitlement land provision is amended to 93 cents during fiscal year 1995, \$1.11 during fiscal year 1996, \$1.29 during fiscal year 1997, \$1.47 during fiscal year 1998, and \$1.65 during fiscal year 1999.

The 10 cents for each acre of entitlement land provision is amended to 12 cents during fiscal year 1995, 15 cents during fiscal year 1996, 17 cents during fiscal year 1997, 20 cents during fiscal year 1998, and 22 cents during fiscal year 1999.

The increase in population cap dollar amount during fiscal year 1994 will change from \$50 if population is less than or equal to 5,000 to \$62, \$74 during fiscal year 1996, \$86 during fiscal year 1997, \$98 during fiscal year 1998 and \$110 during fiscal year 1999.

Beginning in Fiscal Year 1996 all of the variables mentioned above and the population cap dollar amounts mentioned below will be adjusted for inflation on an annual basis. The yearly inflation percentage is obtained from the Consumer Price Index (CPI).

Fiscal Year 2002 Entitlement Land Payment Formula

The amount be paid to each unit of general local government is the higher of:

A. One dollar ninety-nine cents for each acre of "entitlement land" within the boundaries of the unit of government, reduced by the amount of certain Federal land payments (See Table 1) that were received by the unit in the preceding fiscal year (Deductible amounts are reported to BLM each year by the Governor of each State or his delegate.) 1/

-OR-

B. Twenty-seven cents for each acre of "entitlement land" within the unit of government. Here, no deductions are made for the Federal land payments received by the unit of government in the preceding fiscal year.

Entitlement land payments to each unit of general local government are subject to population payment limitations or ceilings. Payment ceilings are based on a sliding scale, starting at \$132.79 per capita (for populations of 5,000 and under) and rising to a maximum payment of \$2,655,500 (Table 2). Under Alternative A, if the total calculated payment (\$1.99 x entitlement acres) exceeds the ceiling, deductions for other Federal land payments received are made from the ceiling, not from the \$1.99 per acre figure.

The following examples show how the section 6902 payment is computed.

Example 1 - Payment Alternative A Greater than B:

Population limitation (19,000 x \$74.84) <u>1/</u>	<u>\$1,421,960</u>
A. 88,442 acres x 1.99 cents per acre <u>1/</u>	176,000
Deduction for prior year payments	<u>-36,435</u>
Payment to county - Alternative A	<u>\$139,565</u>
B. 88,442 acres x 27 cents per acre <u>1/</u>	<u>\$23,879</u>
No deduction under this alternative	<u>- 0</u>
Payment to county - Alternative B	<u>\$23,879</u>

In this case, the county would receive \$139,565. If the population limitation were \$90,000, the Alternative A payment would be \$53,565 (\$90,000 - \$36,435).

1/ The \$1.99 and 27 cent per acre values and the \$74.84 population multiplier result from multiplying the FY 2001 per acre values of \$1.92 and 26 cents and the population multiplier of \$72.36 by the FY 2001 CPI inflation factor of 1.0343%. Also, only the amount of Federal land payments actually received by units of government in the prior fiscal year are deducted. If a unit receives a Federal land payment, but is required by State law to pass all or part of it to financially and politically independent school districts, or other single or special purpose district, such redistributed payments are considered to have not been received by the unit of local government and are not deducted from the section 6902 payment.

Example 2 - Payment Alternative B greater than A:

Population limitation (12,000 x \$88.12)	<u>\$1,057,440</u>
A. 81,391 acres x \$1.99 cents per acre	161,968
Deduction for prior year payments	<u>-183,000</u>
Payment to county - Alternative A	<u>\$ 0</u>
B. 81,391 acres x 27 cents per acre	\$21,976
No deduction under this alternative	<u>- 0</u>
Payment to county - Alternative B	<u>\$21,976</u>

In this case, \$21,976 would be the payment to the county.

Example 3 - ceiling in effect - payment limited to population ceiling:

Population limitation (3,000 x \$132.79)	<u>\$398,370</u>
A. 1,700,000 acres x 1.99 cents per acre	<u>\$3,383,000</u>
Population ceiling limit	398,370
Deduction for prior year payments	<u>-750,000</u>
Payment to county - Alternative A	<u>\$ 0</u>
B. 1,700,000 acres x 27 cents per acre	<u>\$459,000</u>
No deduction under this alternative	<u>0</u>
Payment to county - Alternative B	<u>\$459,000</u>
Payment to county - allowed by ceiling	<u>\$398,370</u>

In the case of this county with high Federal land ownership and a small population, the ceiling is applied to both alternatives with that ceiling amount being paid to the county under Alternative B.

II. Section 6904 Payments

Section 6904 of the Act authorizes payments for any lands or interest therein which were acquired after December 31, 1970, as additions to the National Park System or National Forest Wilderness Areas. These lands must have been subject to local real property taxes within the five year period preceding the acquisition by the Federal government. Payments under this section are made in addition to payments under section 1. They are based on 1% of the fair market value of the lands at the time of acquisition, but may not exceed the amount of real property taxes assessed and levied on the property during the last full fiscal year before the fiscal year in which acquired. Section 6904 payments for each acquisition are to be made annually for five years following each acquisition.

Federal payments of \$100 or more made under section 6904 must be distributed by the recipient unit of local government to those units of local government and affected school districts which have incurred losses of real property taxes due to the acquisition of these lands or interests therein. Distribution shall be in proportion to the tax revenues assessed and levied by the affected units of local governments and school districts in the year prior to the acquisition of these lands by the Federal government.

III. Section 6905 Payments

Section 6905 of the Act authorizes payments for any lands or interest in land owned by the Government in the Redwood National Park or acquired in the Lake Tahoe Basin under the Act December 23, 1980 (P.L. 96-586, 94 Stat. 3383). Section 6905 payments will continue beyond the five year limitation. These payments will continue until the total amount paid equals 5% of the fair market value of the lands at the time of acquisition. However, the payment for each year cannot exceed the actual property taxes assessed and levied on the property during the last full fiscal year before the fiscal year in which the property was acquired by the Federal government.

FISCAL YEAR 2002

SCHEDULE 2

This printout shows that data which was used in computing the fiscal year 2002 payments authorized under section 6902 of the Act.

Entitlement land acreage data was provided by the various Federal agencies that administer the land. Schedule 3 breaks this data down by Federal agency.

The amount of the Federal land receipt sharing payments that were received by units of local government in fiscal year 2001 was provided by State officials. This amount reflects the receipt sharing payments that the units of local government retained for their own use.

Population data reflects the latest population count as provided by the Bureau of the Census. Population figures of 5,000 or over are rounded to the nearest thousands. The maximum population count for purposes of the Act is 50,000.

A detailed explanation of how the section 6902 payments are calculated is provided at the front of this publication.
